

Austin Creative Reuse Outdoor Reuse Market

Austin Creative Reuse (ACR) held our first Outdoor Reuse Market during the winter of 2020 in the midst of the COVID-19 pandemic. Following all of the same safety precautions we take for entering our center, we welcomed over 200 guests into our side lot to visit 30 different artists over the weekend.

Once a quarter, ACR will gather local reuse artists inside of the fenced-in side lot, and will invite the public to peruse the wears available in order to support our local reuse artist community.

Where: 2005 Wheless Lane, Austin TX 78723

Fees: A \$10 application fee must be paid upon submission of a vendor application. Application fees are non-refundable. If approved, the vendor will be eligible for all Outdoor Reuse Markets for a 12 month period from the date of submission. The vendor agrees to submit an additional application if their merchandise changes or they begin selling additional goods.

Each vendor will have a choice of a half or full table. Electricity will not be available.

- Half Tables: \$25.00 per day
 - Vendors purchasing a half table will be provided with a table and a chair. The vendor will be responsible for bringing all of their own merchandising needs. ACR reserves the right to assign half tables as needed to achieve a balance of goods throughout the market.
- Full Tables: \$40.00 per day
 - Vendors are responsible for bringing everything for their merchandising needs, including a table and chair(s). Tables are limited to 8 feet in length.

Payment Processing: All artists will be responsible for processing their own payments and collecting sales tax.

Requirements: All goods sold at the market must be created with at least 50% reused or reclaimed materials.
